

SmallRig

Star-Trail / Revo-Arcane Matte Box Systems
Instructions and Accessories Introduction

In order to ensure user's safety and prevent the product damages caused by any improper use, please carefully read the "Warnings" below and properly keep this User Manual for future reference.

Foreword

Thank you for purchasing SmallRig's product.

Warnings

- Please read this User Manual carefully.
- Please keep the user manual properly, and be sure to attach this user manual when handing over the product to others.
- Please heed all warnings and follow all instructions in the owner's manual.
- Incompatible with 2mm thick 100 x 100mm and 100 x 150mm slide-in filters.
- Cannot hold the slide-in filter and circular filter at the same time.
- Incompatible with circular filters having an outside diameter larger than 100mm.
- Please put Filter Frame (4 x 4") 3648 in the innermost slot near the lens.
- Please put the VND Filter Kit 3651 in the innermost slot near the lens after removing the lens hood.

Only compatible with 4mm slide-in filters.

Intended Use

- Please read this User Manual carefully, especially the "Warnings".
- Please use or store the product in the environment mentioned herein.
- It will be regarded as improper use when the users are not correctly following the user manual or using the product under the specific working condition.

15mm LWS Support

Installation of the Matte Box

- 1 Select the appropriate threaded adapter ring based on the lens being used.

Note: A lens with a 95mm outer diameter can be mounted directly without an adapter ring.

- 2 Align the matte box with the lens centerline.

- 3 Secure the Matte Box by twisting the screw

Mounting filters into the 4 × 5.65" and 4 × 4" Filter Frames

- 1 Press the filter frame safety lock to remove the filter frame

- 2 The filter is inserted diagonally into the filter frame

- 3 Pull up the automatic lock to allow the filter to lay flat and release the lock to complete the installation

- 4 Align the frame in the guide slot and push down until you hear a "click". Installation is complete!

Removal and Installation of the Matte Cover

- 1** Pull up the locks on both sides of the matte cover at the same time

- 2** Unlock by pulling the top section in the direction shown

- 3** Completely remove the matte cover by pulling up as indicated

- 4** Align the connection points

Matte Box
slot

Back Plate
inverted tab

- 5** Push the matte cover towards the Back Plate

- 6** When you hear a "Click," installation is completed

Adding Additional Filters

4 × 5.65" Filter Frame Kit
ID: 3649

- 1** Align the connection points

U-shaped
filter frame
slot

Backplate
inverted tab

- 2** Push the filter frame kit
towards the Back Plate

- 3** When you hear a "Click," installation is
completed
