Product Unfold

Welcome to use the SmallRig P20 Universal Foldable Mobile Phone Cage. When using the product, open the cross arm and pull out the grip handles as shown below.

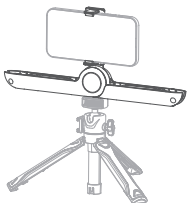

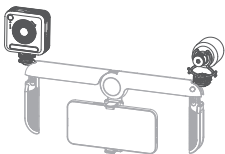

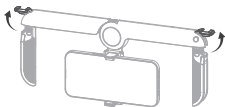

Phone Installation

Open the phone clip as shown, secure the phone on the phone clip and make sure the back of the phone is close to the back plate.

Install Other Accessories

1. As shown in the figure, open the cold shoe mounts at both ends of the cross arm, ensure that they are fully opened and locked horizontally, and secure the other accessories which are installed via the cold shoe such as the mini LED light, microphone, etc.
2. Install the tripod, LED light and other accessories via the 1/4"-20 threaded hole in the middle of the cross arm.

Unlock the Grip Handles and Cold Shoe Mounts

When the grip handles and cold shoe mounts are opened and locked, use your thumb and forefinger to pull the unlock button down on both sides to unlock the cold shoe mounts and handles.
